The image shows a browser window displaying the Mailchimp website. The browser's address bar shows "mailchimp.com". The website has a light green background. At the top, there is a navigation bar with the Mailchimp logo, links for "Why Mailchimp?", "Marketing Platform", "Pricing", and "Resources", a search bar, and buttons for "Log In" and "Sign Up Free". The main content area features a large circular image of a woman in a white swimsuit and a colorful swim cap, holding a glass fishbowl to her face. To the left of the image, the text reads "See the growth ahead of you" and "You're ready for what's next. Our all-in-one Marketing Platform has the tools to get you there." Below this text are two buttons: "Pick A Plan" and "Learn More".

Check your email

We've sent a message to **sebastien@gmail.com** with a link to activate your account.

Didn't get an email?

If you don't see an email from us within a few minutes, a few things could have happened:

- The email is in your spam folder. (Sometimes things get lost in there.)
- The email address you entered had a mistake or typo. (Happens to the best of us.)
- You accidentally gave us another email address. (Usually a work or personal one instead of the one you meant.)
- We can't deliver the email to this address. (Usually because of corporate firewalls or filtering.)
